HAVEN

STAGE 2 RELEASE

There's no better place to create a lifestyle you love, than Haven.

Developed on the southeastern shores of beautiful Lake Boga, Haven is a fully serviced estate set across 17 hectares. With hillside and premium absolute lakefront sites available, both provide stunning views of the surrounding area. Stage 2 offers residents absolute lakefront vantage and the enviable position of building their dream home closer to the water compared to any other location on the lake.

The extensively landscaped design of the roadside and foreshore aims to enhance resident's lifestyles, with retaining walls, trees and plantings. Architecturally developed building guidelines ensure the construction of high quality homes, and allow for individual design whilst ensuring your asset is protected.

They say the grass is always greener, and at Haven, it is, thanks to a dual water supply that will maintain lush gardens and lawns year round.

With allotments starting at 1800m², you can enjoy a semirural lifestyle that allows room to house your watercraft of choice, or whatever else your heart desires. Along with your dream home, of course.

STAGE 2 LOTS

Lots Released: 5

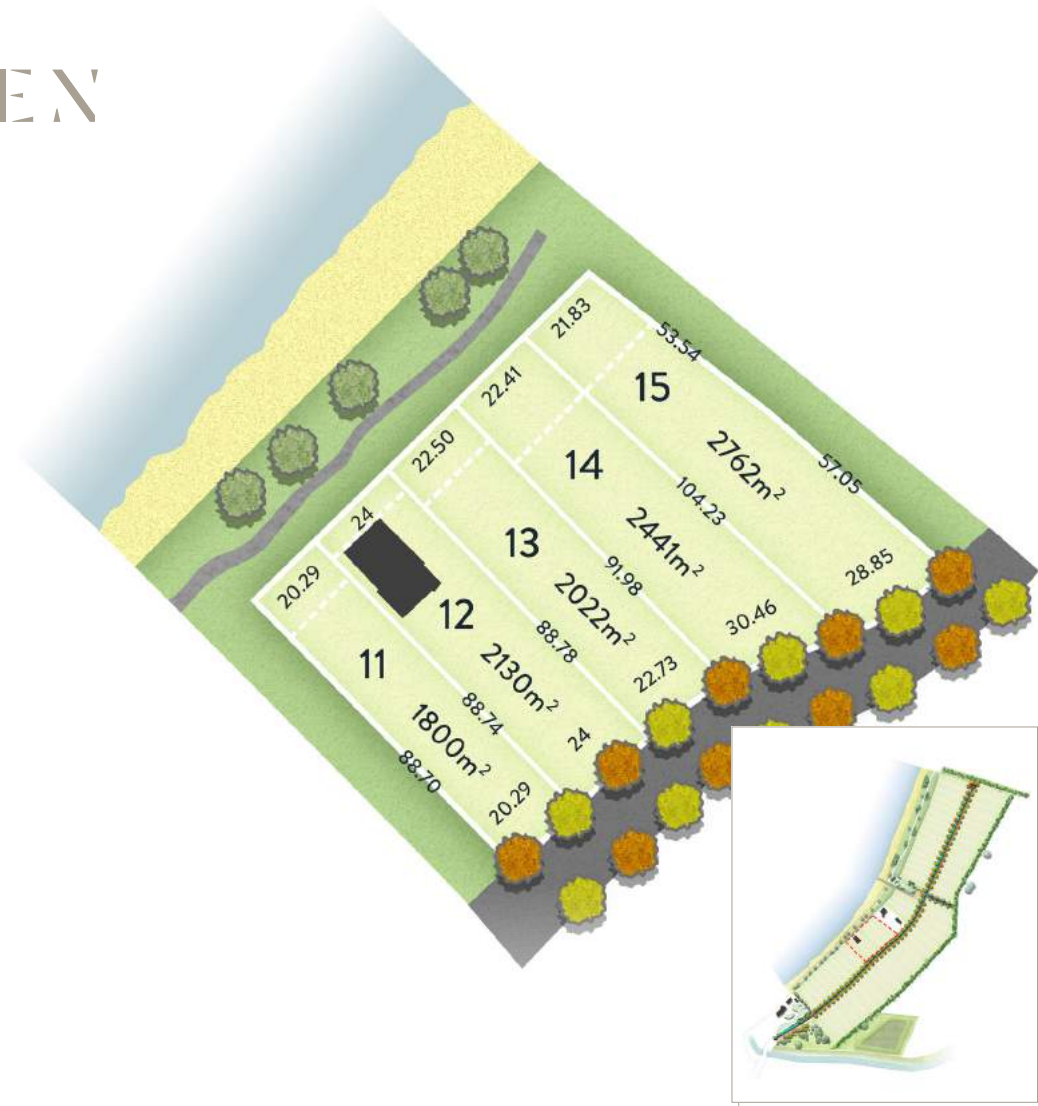

Lot Sizes: 1800m² – 2762m²

Hayes Road
Lake Boga 3584

Cameron Smits
