HAVEN

STAGE 4 FORESHORE RELEASE - COMING SOON

There's no better place to create a lifestyle you love, than Haven.

Developed on the southeastern shores of beautiful Lake Boga, Haven is a fully serviced estate set across 17 hectares. With hillside and premium absolute lakefront sites available, both provide stunning views of the surrounding area. Stage 4 offers residents absolute lakefront vantage, with sloping grassed areas abutting the water, and beautiful established trees framing a magnificent vista of the lake.

The extensively landscaped design of the roadside and foreshore aims to enhance resident's lifestyles, with retaining walls with steps, trees and plantings. Architecturally developed building guidelines ensure the construction of high quality homes, and allow for individual design whilst ensuring your asset is protected.

They say the grass is always greener, and at Haven, it is, thanks to a dual water supply that will maintain lush gardens and lawns year round.

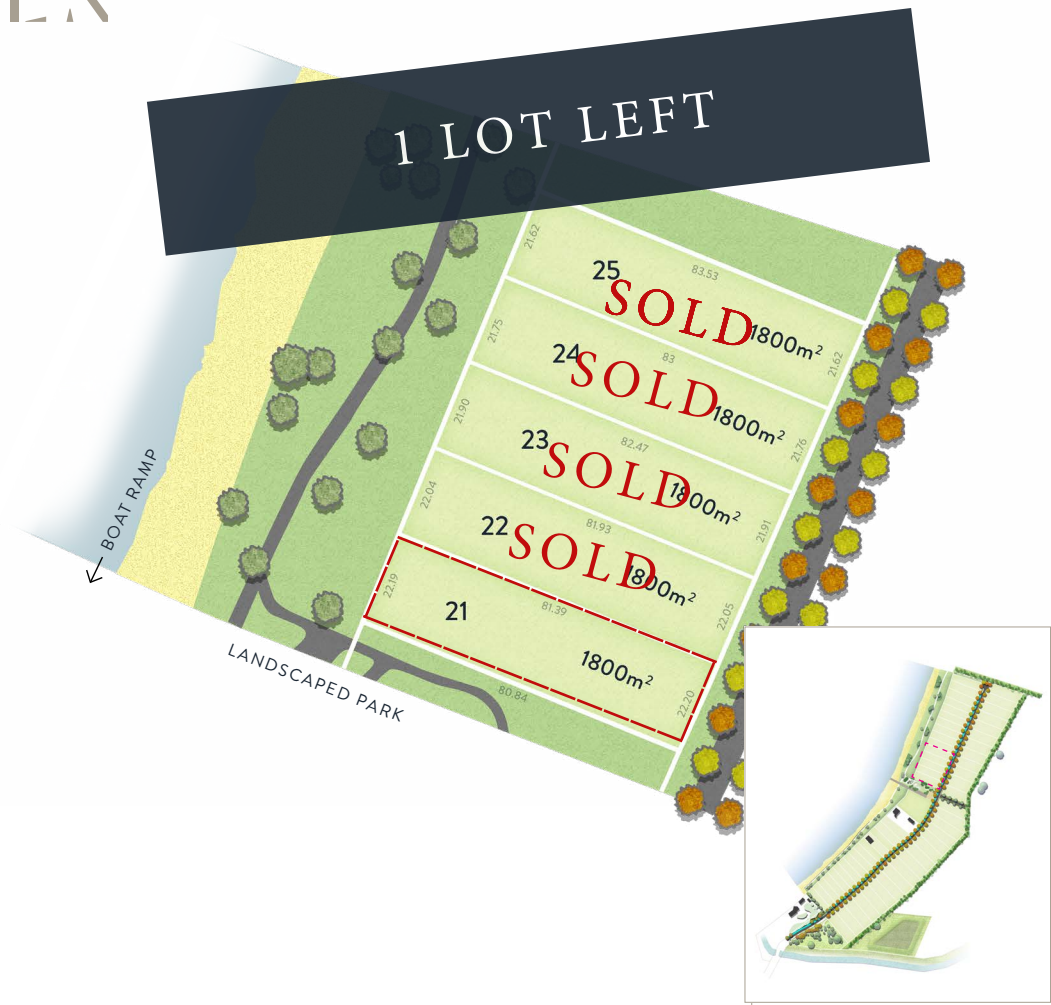

With allotments starting at 1800m², you can enjoy a semirural lifestyle that allows room to house your watercraft of choice, or whatever else your heart desires. Along with your dream home, of course.

STAGE 4 LOTS ARE NOT YET AVAILABLE TO MARKET
