HAVEN

STAGE 7 HILLSIDE RELEASE – COMING SOON

There's no better place to create a lifestyle you love, than Haven.

Developed on the south eastern shores of beautiful Lake Boga, Haven is a fully serviced estate set across 17 hectares. With hillside and premium absolute lakefront sites available, both provide stunning view of the surround area.

Stage 5 is the first offering at Haven of large hillside lots. A gentle slope makes way to a large flat platform where the majority of the lot is located. This elevated position offers stunning panoramic views of the lake, neighbouring farmland and Lake Boga township. Both sunrise and sunset from the hillside vantage are a sight to behold.

The extensively landscaped design of the roadside, foreshore, boat ramp and park aim to enhance the resident's lifestyles. Architecturally developed building guidelines ensure the construction of high quality homes, and allows for individual design whilst ensuring your asset is protected.

They say the grass is always greener, and at Haven, it is. Thanks to a dual water supply that will maintain lush gardens and lawns year round.

With allotments ranging in size from 2100 – 2400m², you can enjoy a semirural lifestyle that allows room to house your watercraft of choice, or whatever your heart desires. Along with your dream home, of course.
